CEC Shri Rajiv Kumar along with ECs Shri Gyanesh Kumar and Dr. Sukhbir Singh Sandhu had maintained a constant supervision of the polling process to ensure that the polling took place in an incident free manner. Earlier in the day, interacting with media at Nirvachan Sadan, CEC Rajiv Kumar said that these elections are “history in the making”, the echoes of which will be carried through posterity. Kashmiri Migrant voters were also empowered to exercise their franchise through 24 Special Polling Stations setup in Jammu (19), Udhampur(1) and Delhi (4). Earlier, the Commission had eased the process for Kashmiri migrant voters by abolishing the cumbersome Form-M and enabling self-certification.

Home-voting facility, introduced for the first time in Assembly elections in J&K saw democracy being taken to the doorsteps of those who are bound by physical limitations. Many voters aged above 85 years and PwDs with 40% benchmark disability opted to vote from the comfort of their homes. The entire process was videographed to ensure transparency while preserving the secrecy of the ballot.

As part of ECI's commitment to make the voting experience pleasant and memorable, Assured Minimum Facilities (AMF's) like drinking water, electricity, toilet, ramp, furniture, adequate shelter, helpdesk, wheel chair & volunteers amongst others were provided at all Polling Stations. One polling station each, exclusively managed by women and PwDs, was set up in every AC for giving a comfortable voting experience.

The provisional voter turnout figures of 54.11% as of 7 PM will continue to be updated AC wise on the Voter Turnout App by the ROs, as and when the polling parties formally close the poll and return from the polling stations based on the geographical/logistical conditions and after scrutiny of statutory papers and consideration of repolls, if any. The Commission for convenience of stakeholders, will also issue another press note with provisional voter turnout figures at ~2345 hours today.
