CIRCULAR

Subject: 100% saturation of Rooftop Solar Plants for Government buildings.

Under the PM Surya Ghar: Muft Bijli Yojana, the Government of India has mandated 100% solarization of all government buildings across the country. The objective is to maximize utilization of unexploited rooftop spaces across Central, State, and Union Territory Government properties to promote energy sustainability.

In this regard, it is informed that the Power Development Department has installed a Rooftop Solar on total 1496 buildings with an aggregate capacity of 6.9 MW till 2025-26.

However, the department is still receiving applications for installation of RTS from various division/sub-division offices. Accordingly, all Head of Departments / Concerned officers are requested to furnish consolidated details of left-out Government buildings falling under their jurisdiction which are feasible for installation of Rooftop Solar Systems.

The requisite details may kindly be submitted at the earliest so that the matter can be placed before the higher authorities for further necessary action.

The following nodal offices in Leh and Kargil may be contacted for further details:

S.No	Office	Contact	Email	Phone
1	Electric Project Division Leh	Er. Tashi Rigyalpo, AEE	xeneleh@gmail.com	9906353166
2	Electric Project Division Kargil	Er. Syed Ahamd, AE	xenekargil@gmail.com	8491993099
